- 9/11

Lesson: Ezekiel 8- The Occult

Throughout Israels history the entire nation was tricked into following the watchers because the leadership lead them in their teachings. But the public didn't know that the leaders had a very intimate relations with these watchers. **THEY USED THEURGISTIC PRACTICES**

- Read Ezekiel 8
- Ezekiel 8:1-3: God took him between heaven and Earth
  - out of our 3<sup>rd</sup> dimension into a higher spiritual dimension(only way to see it;very secret)

- Ezekiel 8:9: Wicked abomination
  - the occult was involved with human sacrifices (adult and babies), pedophilia, self harm, drugs
- Ezekiel 8:10: Beastiality
- Ezekiel 8:11: 70 people worshipping with insect (false prophet)
  - Elite group of people who know more than public
- Ezekiel 8:12: "In the dark" AKA in secret
- Ezekiel 8:14: Tamuz = false god
  - Her father saved Noah from flood
    - makes satan look like a hero
  - wife of Nimrod/Apollo
- Ezekiel 8:16: 25 people worshipping the sun (Nimrod/Apollo)
  - Smaller elite group of people who know more than the 70.
  - guide the public based on the info they get from here
    - from theurgy
    - from the watchers
  - They were subtle. Had the Illusion of following God

\*The fact that God had to supernaturally show Ezekiel (a leader himself) these things shows just how hidden it was.

- Ezekiel 9: God kills everyone that participates. Furthermore He kills everyone that doesn't weep for the lost and weep for Gods truth being trampled.
  - The only people that can weep are those that KNOW what to weep for.
- Other places the occult is found in the Bible:
  - Isiah 47:3
  - Leviticus 20:6
  - Micah 3:7
  - Duet 18:11
  - Daniel 4:7
  - 2 Kings 17
  - Jeremiah 27:9
  - Leviticus 19:31
  - Jeremiah 10:2
  - Exodus 22:18
  - Acts 16:18
  - All over Revelation

The occult is all throughout the Bible so they must be here now. And they could have a blanket of Christianity to make people follow them. Example- The Vatican.
